St. Columba's Cottage, Weobley

Accessibility Statement

St. Columba's Guest Accommodation is situated in the centre of Weobley with access to the front door directly from the pavement.

Vehicles can offload directly outside the door if necessary, with a one-metre pavement to the front door.

There is no wheelchair access inside the building, however, wheelchairs can be parked and stored as required.

There is no access at the rear of the premises.
There is limited car parking available in this street.
Access into the main entrance at the front of the building is via a doorway with a mortice key.

Motorised wheelchairs are not suitable for use inside or outside of the house.
There are no bedrooms on the ground floor.

There is a second floor lounge with very steep stairs and users are asked to use the handrail and take specific care when climbing and descending the stairs.

Natural light is in the bedroom and lounge via windows on one side of the room, and at night, there are light-sensitive lights at low level throughout the first floor to provide access to the private bathroom, stairs and emergency exit.

For emergency services, call 999 and quote 'What Three Words' and our postcode – HR4 8SL.
